

# Read Every Day

This R.E.D. (Read Every Day) folder is to be read every night. By reading with your child as often as you can and asking the provided questions, you will promote and practice fluency and comprehension skills to support this journey!

## Each night, please do the following:

- Have your child read the book that is in their RED Folder.
  - Please do not allow your child to struggle through the words. Give him/her a chance to decode it, but if they continue to struggle, tell them the word so they can continue reading.
- Ask your child 3-4 comprehension questions from the list provided.
- When your child is able to read the book fluently and correctly, write the title of the book, the date, and your signature on the reading log.
- Return the book to school in your child's RED Folder on Friday.
  - If your child needs additional practice with the book, please keep the folder at home and continue to practice until they are ready to read it to me!
- When your child returns the folder to me, I will listen to him/her read the book to me. If they are able to read the book fluently, I will put a sticker on their log, take the book out, and replace it with a higher level book.

## Important Information

- If you find that a book is too difficult for your child, please return it with a note and I will gladly send another. The goal is for your child to feel encouraged and not discouraged.
- These books are yours to keep! Once your child has completed one, it will be sent home and you may keep it for further practice.

I am so eager to witness the excitement as your child's reading skills come together, allowing your child to read to you!

Thank you so much for your support!
